To assist us in placing you within the correct Grade for your photographic abilities and experience, could you please complete the following questions. This will also give the Committee a greater idea of potential workshops to include in the Club's practical nights.

How long have you been taking photos	
Do you consider yourself to be a complete beginner	
What type of camera do you have	
Do you know how to use photography processing computer programs eg photoshop/lightroom	
If so, which ones do you use	
Do you have any digital photos or prints to help us assess your grade	
Do you have any photography awards	
Are you, or have you ever been, a member of any photographic society, or another club	
If yes to the above, please name the club and what Grade or level you were in	
Please circle any of these activities that interest you	<b>Hands-on workshops, photo outings, tutorials, use of computer programs</b>
Please suggest other ideas you may have for club activities/workshops etc	
How did you hear about our Club	<b>Internet/word of mouth/advertisement/club member</b> <i>(please circle relevant responses)</i>
